

Anti-Ozone Mask

Calms and Soothes Irritated and Inflamed Skin

Diatomaceous Earth | Algae | Aloe

DESCRIPTION:

A soothing botanical powder that can be mixed with water, milk, or any other mask to instantly calm irritated or inflamed skin to begin the healing process. The mask is recommended for all skin types.

The Anti-Ozone Mask is an immediate "first aid" for any skin irritations from any source, including sunburn, skin irritation, manual extraction that was too harsh, erythema, redness after a medical peel, diffused redness after the HT Mask, redness after Galvanic, after Electrolysis, after permanent eye, brow or lip application. Provides excellent results on clients who are smokers.

SALON USAGE:

Mix with 1 tablespoon cold water, another mask, or in the case of an extreme sunburn, with milk. If mixing it with a mask, the amount of Anti-Ozone Mask to add can vary from 1:2 parts to 1:1 parts; add more Anti-Ozone Mask when there is greater irritation. Can also be incorporated with the Papaya Enzyme Mask to buffer its action. Apply to the area to be treated and leave on for 15 minutes. Remove with esthetic sponges and tepid water.

Soothing Treatment: For a special soothing treatment, mix in a few drops of Ambrosia Aromatherapy Aromatic Oil Sensitive/Calming.

Acneic Skin: For clients with acneic skin, Anti-Ozone Mask can be mixed with Ambrosia Aromatherapy Rosemary-Camphor Mask.

INGREDIENTS: Kaolin, Diatomaceous Earth, Panax Ginseng, Aloe Barbadensis, Algae, Chamomilla Recutita, Ascorbic Acid, Disodium EDTA

SIZES: Professional: Ref. # 2541
