

Bamboo Cream Peel

Smoothes Skin for a Radiant Appearance

Bamboo Stem Powder | Jojoba Beads | Sweet Almond Oil

DESCRIPTION:

Bamboo Cream Peel is a microdermabrasion cream peel which sloughs off dead skin with natural bamboo, jojoba beads, and crushed almonds for a soft, smooth appearance. The exfoliating ingredients are gentle enough even for sensitive skin and don't create micro-tears on the skin. Used both in professional spa treatments as well as at home, Bamboo Cream Peel allows for deeper penetration of active ingredients following its use.

FEATURES AND BENEFITS:

Gentle Exfoliation | Bamboo Cream Peel exfoliates with natural bamboo, jojoba beads, and crushed almonds. The exfoliating ingredients, unlike the typical crushed shells, are round in shape so they are gentle enough even for sensitive skin and don't create micro-tears on the surface of the skin.

Soften Skin | Sweet Almond Oil softens skin and contains Essential Fatty Acids which act as free radical exchangers and skin protectors. Rosehip calms and soothes skin and minimizes skin irritation. Bitter Almond Oil and Balm Mint Extract relax skin, increase circulation, and create a feeling of well being.

Fresh Scent | Lemongrass is antimicrobial, anti-oxidant, antiseptic and astringent as well as has a light, refreshing scent.

USAGE: Apply Bamboo Cream Peel to cleansed skin. With your finger or a soft facial brush, gently apply the cream in circular motion and remove with warm water. Follow with your favorite toner and moisturizer. Ideal for the most sensitive skin.

INGREDIENTS:

Water (Aqua), Stearic Acid, Glycerin, Cetearth-20, Propanediol (Zemea), Ethylhexyl Palmitate, Cetearyl Alcohol, Prunus Amygdalus Dulcis (Sweet Almond) Oil, Decyl Oleate, Sorbitan Stearate, Polysorbate 60, Carthamus Tinctorius (Safflower) Oil, Rosa Canina (Rosehip) Fruit Oil, Cyclopentasiloxane, C12-15 Alkyl Benzoate, Peg/PPG-20/15 Dimethicone, Buxus Chinensis (Jojoba) Beads, Cymbopogon Schoenanthus (Lemongrass) Oil, Bambusa Arundinacea Stem Powder, Hedera Helix (Ivy) Extract, Kaolin, Carbomer, Melissa Officinalis (Balm Mint) Extract, Prunus Amygdalus (Bitter Almond) Oil, AC Polyethylene, Tocopheryl Acetate, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Disodium EDTA, Oxy CA (Rosmarinus Officinalis Leaf Extract CO2 and Ascorbyl Palmitate and Caprylic/Capric Triglycerides and Ascorbic Acid and Tocopherol and Citric Acid)
