DESCRIPTION

Daily cleansing is an important step for glowing, healthy skin. Impurities, clogged pores, and dry skin can create an unpleasant feeling on the skin and cause it to appear dull and lackluster. Clean & refined pores are an important step to radiant, healthy looking skin.

FEATURES AND BENEFITS

- **Draws out blackheads & impurities:** Natural Activated Charcoal Powder & Melaleuca Alternifolia (Tea Tree) Leaf oil, blended with Macrocystis Pyrifera (Kelp) Extract and Rosmarinus Officinalis (Rosemary) Flower Extract control and improve the overall appearance of oily skin by absorbing and carrying away excess chemicals, dirt, and other micro-particles trapped within the pores.
- **Helps moisturize and cleanse pores:** with Camellia Sinensis (Green Tea) Leaf Extract, Aesculus Hippocastanum (Horse Chestnut) Extract and Equisetum Arvense Leaf Extract acting as antiseptic astringents. These astringents help to detoxify as well as cleanse skin, leaving it smoother, healthier and refreshed.

Cleanse the skin and apply a generous amount to the skin. Avoid the eye area. Leave on for 20-30 minutes and remove with warm water. Follow with toner, serum and moisturizer. Formulated for daily use in cleansing overly oily skin and impurities. Use 2-3 times a week for all other skin types.
