

# AControlling Balm with Tea Tree Oil Oil-Controlling Moisturizer

Hamamelis Extract | Copper Gluconate Tea Tree Oil | Yeast Extract | Rosemarinic Acid

and applying serum.

## **DESCRIPTION:**

A lightweight yet intensive oil and acne correcting moisturizer that dramatically helps control oil and clear existing blemishes by decongesting pores and calming inflamed skin. Our patent-pending liposomal technology is combined with Tea Tree, Rosemary, Cinnamon Extract, and Proteins. AControlling Balm is non-irritating and oil-free, so it won't clog pores. A great everyday solution for oily skin.

## **FEATURES AND BENEFITS:**

**Control Oil Production and Normalize Skin** | Capryloyl Glycine, Cinnamon Extract, and Rosemarinic Acid help to control the production of oil and soften the skin. Wheat Germ Extract, which is high in protein, controls and improves oily skin conditions. Saccharomyces Cerevisia (Yeast) Cell Extract helps to normalize.

**Clear Complexion** | Lactic Acid, Aloe, Tea Tree Leaf, and Salicylic Acid clear the complexion and balance the pH of the skin to normalize the production of oil.

## **USAGE:**

Use in the morning and evening after cleansing and toning facial skin
