

Herbal Foam Cleanser

Refreshing, Creamy Foaming Cleanser

Rosemary Extract | Ginkgo Biloba Extract | Thyme Extract

DESCRIPTION:

Healthy skin starts with proper cleansing. Herbal Foam Cleanser is a creamy, gentle and refreshing oil-free cleanser with a light foaming action. It thoroughly cleanses the skin, breaking up surface oils and eliminating residue. All skin types become soft, smooth and pH balanced. Contains anti-irritants. In the treatment room, it is an effective pro-operative cleanser which helps to prep the skin for treatments.

FEATURES AND BENEFITS:

Cleanse | An oil-free formula which breaks up and removes surface oil and debris. Coconut, Thyme Extract, Aloe Vera, Rosemary Extract and Ginkgo Biloba Extract help to cleanse skin while leaving it soft, supple and moist.

Shave | Men will enjoy the fresh, clean scent from Thyme Extract. Herbal Foam Cleanser is also non-irritating and creates a slick film on skin which makes it great to use while shaving.

Improve Skin Texture | Calendula Extract, Wasabi Root Extract, Goldenseal and Liolenic Acid help to improve skin texture.

Biostimulator | Vitamin E Tocopherol and Citric Acid help to prepare the skin for easier acceptance of active materials by stimulating the skin and making it more bio-available.

USAGE: Apply several pumps of Herbal Foam Cleanser to the palm of your hand, add a few drops of water, work into a lather, and gently wash face. Use morning and night. Rinse thoroughly with water, follow with Herbal Toner.
