

Doctor D. Schwab

Eye Intensive Moist

with Apple Stem Cells and Advanced Peptides to Reduce Wrinkles

Apple Stem Cells | Peptides | Sodium Hyaluronate | Olive Leaf Extract

DESCRIPTION: Powerful peptide enriched eye cream features breakthrough apple stem cell technology which is clinically tested and shown to reduce the depth of wrinkles and assure the longevity of healthy skin cells. The apple stem cells are incorporated with additional active ingredients, including natural Fresh Cells from Strawberry, Pumpkin, Carrot, Mango and Kiwi, known for their enzymatic results, into Doctor D. Schwab's patent pending Alphasomal® delivery system to effectively deliver ingredients to the target area. Helps to improve elasticity, minimize fine lines, and firm and tighten the skin.

FEATURES AND BENEFITS:

Minimize Fine Lines with Apple Stem Cells | Apple Stem Cells (Malus Domestica Fruit Cell Culture Extract) from the Swiss Uttwiler Spätlauber Apple have been shown to slow and reverse the signs of aging by ensuring the longevity of healthy skin cells. Epigenetic factors and metabolites activate the skin stem cells to help delay the aging of skin and begin skin's rejuvenation process. Tested in clinical trials on the crow's feet area of the eyes, it was found to reduce the depth of wrinkles by 15% in four weeks.

Reduce Wrinkles with Palmitoyl Pentapeptide-3 | An advanced peptide made in-house. Supports cell metabolism and stimulates cell proliferation and tissue regeneration for bright, healthy looking skin. In vitro clinical studies showed it stimulated wrinkle fighting collagen by 117% and firming collagen by 357%, increased moisture holding capacity by 267%, reduced the surface area of wrinkles by 68% and reduced skin roughness by 16%.

Hydrate | Olea Europaea (Olive) Fruit Oil and Olea Europaea (Olive) Leaf Extract combined with Sodium Hyaluronate and Aloe Gel help to decrease TEWL (Trans-Epidermal Water Loss) to keep skin hydrated and help maintain a youthful complexion.

Advanced Delivery System | Alphasomal® Complex is an advanced Phospholipid based delivery system that encapsulates active ingredients and enables them to reach the targeted area for superior product performance.

USAGE: Use morning and evening. Apply with light tapping motions to under eye skin.

INGREDIENTS: Water (Aqua), Vitis Vinifera (Grape) Seed Oil, Cetearyl Isononanoate, Glycerin, C12-15 Alkyl Benzoate, Sorbitan Oliviate, Ethylhexyl Methoxycinnamate, Cetearyl Oliviate, Panthenol, Pentylene Glycol, Phospholipids, Hydrogenated Olive Oil, Sodium Hyaluronate, Oligopeptide, Olea Europaea (Olive) Fruit Oil, Hesperidin Methyl Chalcone, Malus Domestica Fruit Cell Culture Extract, Foeniculum Vulgare (Fennel) Fruit Extract, Palmitoyl Pentapeptide-3, Olea Europaea (Olive) Leaf Extract, Dipalmitoyl Hydroxyproline, Acetyl Tetrapeptide, Tocopherol Acetate, Proline, Alanine, Arginine, Bisabolol, Cetearyl Alcohol, Xanthan Gum, Aloe Barbadensis Extract, Phenoxyethanol, Fragrance, Potassium Sorbate, Ethylhexylglycerin, Phytic Acid, Oxy CA (Rosmarinus Officinalis Leaf Extract CO2 and Ascorbyl Palmitate and Caprylic/Capric Triglycerides and Ascorbic Acid and Tocopherol and Citric Acid)

SIZE: 15 ml / 0.5 fl. oz , Ref. # 854
