

Umbrella High Environmental Protection Moisturizer

Ethylhexyl Methoxycinnamate | Micronized Titanium Dioxide | Grape Stem Cells

DESCRIPTION:

Umbrella High Environmental Protection Moisturizer provides the ultimate defense against the damaging effects of the environment. A natural blend of active botanicals protect the skin while keeping it smooth, hydrated and irritation-free.

Formulated with our unique and effective Alphasomes® C-8, an advanced phospholipid nanotechnology-based skin care delivery system, powerful micronized environmental protection ingredients are able to penetrate to the target skin area in order to reach the highest level of protection.

FEATURES AND BENEFITS:

Protect | A new family of Botanical environmental filters, including Grape Stem Cell Extracts, Micronized Titanium Dioxide, Ethylhexyl Methoxycinnamate, Butyl Methoxydibenzoylmethane, and Phospholipids (Alphasomes C-8™), provide maximum daily protection against the aging effects of the environment.

Soothe Skin | Rosehip Fruit Oil, Walnut Seed Oil, and Aloe Barbadensis Extract help to soothe the skin and minimize irritation.

Moisturize | Cyclomethicone and Shea Butter, infused with Sunflower Seed Oil moisturize the skin.

USAGE: After cleansing, apply a generous amount of Environmental Protection Moisturizer to face and body. Reapply after prolonged exposure to the sun or water (approx. every 1-2 hours). Ideal for year-round use. Perfect under makeup.

INGREDIENTS:

Water (Aqua), Ethylhexyl Stearate, Butyrospermum Parkii (Shea) Butter, Stearyl Alcohol, Myristel Alcohol, Glycerin, Cyclomethicone, Ethylhexyl Methoxycinnamate, Cetareth-15, Peg/PPG-20/15 Dimethicone, C12-15 Alkyl Benzoate, Micronized Titanium Dioxide, Juglans Regie (Walnut) Seed Oil, Butyl Methoxydibenzoylmethane, Glycine, Phospholipids, Beeswax natural, Boron Nitride, Rosa Canina (Rosehip) Fruit Oil, Stearyl Heptanoate, Decyl Oleate, Aluminum Starch Octenylsuccinate, Vitis Vinifera (Grape) Fruit Cell Extract, Tocopherol, Sodium Hyaluronate, Aloe Barbadensis Extract, Niacin, Ascorbyl Palmitate, Helianthus Annuus (Sunflower) Seed Oil, PVP/Hexadecene Copolymer, Phenoxyethanol, Potassium Sorbate, Ethylhexylglycerin, Sodium Phytate (Phytic Acid), Oxy CA (Rosmarinus Officinalis Leaf Extract CO2 and Ascorbyl Palmitate and Caprylic/Capric Triglycerides and Ascorbic Acid and Tocopherol and Citric Acid)

SIZE: 120 ml / 4 fl. oz, Ref. # 6236
